The following serves as an explanatory statement required by the Listing Rules to provide the Shareholders with all the information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Share Repurchase Mandate:

1. SHARE CAPITAL

As at the Latest Practicable Date, the Company had 615,000,000 Shares in issue.

Subject to the passing of the ordinary resolution set out in item 5 of the notice of the Annual General Meeting in respect of the granting of the Share Repurchase Mandate and assuming that no Shares will be issued or repurchased prior to the Annual General Meeting, the Company will be authorized under the Share Repurchase Mandate to repurchase, during the period in which the Share Repurchase Mandate remains in force, a total of 61,500,000 Shares, representing 10% of the total number of Shares in issue as at the date of the Annual General Meeting.

2. REASONS FOR SHARE REPURCHASES

The Directors believe that the granting of the Share Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole.

Shares repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

3. FUNDING OF SHARE REPURCHASES

Share repurchases pursuant to the Share Repurchase Mandate would be funded out of funds legally available for the purposes in accordance with the Company's memorandum of association, the Articles of Association, the laws of the Cayman Islands, the Listing Rules and/or any other applicable laws.

4. IMPACT OF SHARE REPURCHASES

There might be a material adverse impact on the working capital and/or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 December 2017) in the event that the Share Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Share Repurchase Mandate to such extent as would, in the opinion of the Directors, have a material adverse effect on the working capital or gearing position of the Company.

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares were traded on the Stock Exchange during the period from the Listing Date up to and including the Latest Practicable Date were as follows:

Month	Highest HK\$	Lowest HK\$
2017		
July (<i>since the Listing Date</i>)	1.62	1.21
August	1.50	1.28
September	1.47	1.11
October	1.74	1.44
November	1.64	1.43
December	1.62	1.51
2018		
January	1.64	1.55
February	1.86	1.54
March	1.75	1.62
April (<i>up to the Latest Practicable Date</i>)	1.68	1.68

6. GENERAL

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the Listing Rules) has any present intention to sell any Shares to the Company under the Share Repurchase Mandate in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that he/she/it has a present intention to sell any Shares to the Company under the Share Repurchase Mandate, nor that they have undertaken not to sell any Shares held by them to the Company, in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that they will exercise the power of the Company to repurchase Shares pursuant to the Share Repurchase Mandate in accordance with its memorandum of association, the Articles of Association, the Listing Rules and the applicable laws of the Cayman Islands.

7. TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code.

To the best knowledge of the Company, as at the Latest Practicable Date, the controlling shareholders (as defined in the Listing Rules) of the Company, namely Mr. Chang Chih Lung, Mr. Chang Yoe Chong Felix, FC Management Limited, FC Investment Worldwide Limited, CLC Management Limited, CLC Investment Worldwide Limited, Golden Evergreen Limited and Evergreen Enterprise Holdings Limited (collectively, the "**Controlling Shareholders**"), were interested in 336,903,803 Shares, representing approximately 54.78% of the total issued share capital of the Company.

In the event that the Directors exercise the proposed Share Repurchase Mandate in full, the shareholding of the Controlling Shareholders would increase to approximately 60.87% of the total issued share capital of the Company. The Directors consider that such increase in shareholding would not give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code but would reduce the percentage of the Shares held by the public to below the prescribed minimum percentage of 25% required by the Listing Rules. Save as aforesaid, the Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Share Repurchase Mandate. In any event, the Directors have no present intention to repurchase Shares to such extent which will result in the aggregate number of Shares held by the public shareholders falling below 25%, the prescribed minimum percentage required by the Listing Rules.

8. SHARE REPURCHASES MADE BY THE COMPANY

During the six months prior to the Latest Practicable Date, the Company had not repurchased any of the Shares (whether on the Stock Exchange or otherwise).
