LETTER FROM THE BOARD

1. INTRODUCTION

The purpose of this circular is to provide the Shareholders with information in respect of certain resolutions to be proposed at the Annual General Meeting to be held on 15 May 2026.

2. RETIREMENT AND PROPOSED RE-ELECTION OF RETIRING DIRECTORS

As at the Latest Practicable Date, the Board comprised eight Directors, of whom four are executive Directors, namely, Mr. Chang Yoe Chong Felix, Mr. Chan Kwok Keung, Ms. Jia Ziyang and Mr. Li Yanbo; one is non-executive Director, namely, Mr. Chan Lau Yui Kevin and three are independent non-executive Directors, namely, Mr. Sin Hendrick *M.H.*, Mr. Szeto Yuk Ting and Ir. Cheung Siu Wa.

In accordance with articles 108 and 111 of the Articles of Association, Mr. Li Yanbo (“**Mr. Li**”) will retire from office and, being eligible, will offer himself for re-election at the Annual General Meeting. Mr. Sin Hendrick *M.H.* (“**Mr. Sin**”) and Mr. Szeto Yuk Ting (“**Mr. Szeto**”) will retire and not offer themselves for re-election at the Annual General Meeting.

Mr. Sin has decided not to stand for re-election at the Annual General Meeting after serving the Company for a period of 9 years pursuant to Rule 3.13A of the Listing Rules to aid board refreshment and promote board independence. Mr. Sin will therefore retire from his position as an independent non-executive Director (“**INED**”), and will cease to be the chairman of the Audit Committee and a member of each of the Remuneration Committee and the Nomination Committee. Mr. Szeto has decided not to stand for re-election at the Annual General Meeting after serving the Company for a period of 9 years pursuant to Rule 3.13A of the Listing Rules to aid board refreshment and promote board independence. Mr. Szeto will therefore retire from his position as INED, and will cease to be the chairman of the Remuneration Committee and a member of each of the Audit committee and the Nomination Committee with effect from the conclusion of the Annual General Meeting. Each of Mr. Sin and Mr. Szeto has confirmed that he has no disagreement with the Board and that there is no matter relating to his retirement that needs to be brought to the attention of the Shareholders and the Stock Exchange. The Board extends its sincere gratitude to Mr. Sin and Mr. Szeto for their dedicated service and valuable contributions.

Recommendation to the Board for the re-election of Mr. Li as an executive Director was made by the Nomination Committee, after evaluating his performance and considering a range of factors including but not limited to gender, age, cultural and educational background, ethnicity, professional experience, skills, knowledge and length of service, as set out in the Board diversity policy of the Company. In particular, the Nomination Committee has reviewed the structure and composition of the Board, the confirmations and disclosures given by Mr. Li, and the qualifications, skills and experience, time commitment and contribution of Mr. Li with reference to the Company’s Board diversity policy, nomination policy and corporate strategy.

LETTER FROM THE BOARD

Accordingly, the Nomination Committee nominated Mr. Li to the Board for it to propose to the Shareholders for re-election at the Annual General Meeting, and with the recommendation of the Nomination Committee, the Board has proposed that Mr. Li stand for re-election as Director at the Annual General Meeting. As a good corporate governance practice, Mr. Li had abstained from voting at the relevant Board meeting on the resolution in respect of his re-election as Director at the Annual General Meeting.

The biographical details of Mr. Li are set out in Appendix I to this circular.

The procedures and process for nomination of Directors are set out in the section headed “Corporate Governance Report” in the annual report of the Company for the year ended 31 December 2025.

In assessing the proposed appointment, the Board has received from each of Mr. Tseung and Mr. Cheng a written confirmation of his independence pursuant to Rule 3.13 of the Listing Rules. In the confirmation, each of Mr. Tseung and Mr. Cheng has confirmed:

- (a) his independence as regards each of the factors referred to in Rules 3.13(1) to (8) of the Listing Rules;
- (b) that he does not have any past or present financial or other interest in the business of the Company or its subsidiaries, or any connection with any core connected person of the Company; and
- (c) that there are no other factors that may affect his independence.

The Nomination Committee has reviewed each of Mr. Tseung’s and Mr. Cheng’s qualifications, experience, and independence. Taking into account the Nomination Committee’s recommendation and the confirmation received, the Board considers each of Mr. Tseung and Mr. Cheng to be independent and believes he has the requisite character, integrity, and experience to fulfill the role of an INED.

The biographical details and other information of Mr. Tseung and Mr. Cheng as required under the Listing Rules are set out in Appendix II to this circular.

Para 2(2)
App.A13
Para 18
- 85 Any Shareholder entitled to attend, speak and vote at a meeting of the Company shall be entitled to appoint another person as his proxy to attend, speak and vote instead of him. A Shareholder who is the holder of two or more Shares may appoint more than one proxy to represent him and attend, speak and vote on his behalf at a general meeting of the Company or at a class meeting. A proxy need not be a Shareholder of the Company. On a poll or a show of hands votes may be given either personally (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy. A proxy shall be entitled to exercise the same powers on behalf of a Shareholder who is an individual and for whom he acts as proxy as such Shareholder could exercise. In addition, a Proxies

proxy shall be entitled to exercise the same powers on behalf of a Shareholder which is a corporation and for which he acts as proxy as such Shareholder could exercise if it were an individual Shareholder.

- 86 No appointment of a proxy shall be valid unless it names the person appointed and his appointor. The Board may, unless it is satisfied that the person purporting to act as proxy is the person named in the relevant instrument for his appointment and the validity and authenticity of the signature of his appointor, decline such person's admission to the relevant meeting, reject his vote or, in the event that a poll is demanded after the chairman of the meeting allows a show of hands pursuant to Article 72, his demand for a poll and no Shareholder who may be affected by any exercise by the Board of its power in this connection shall have any claim against the Directors or any of them nor may any such exercise by the Board of its powers invalidate the proceedings of the meeting in respect of which they were exercised or any resolution passed or defeated at such meeting.

- App.A13
Para 18
- 87 (a) The instrument appointing a proxy shall be in writing in any usual or common form or any other form which the Board shall from time to time approve or accept and:
- (i) in the case of an individual, under the hand of the appointor or of his attorney duly authorised in writing, or authenticated in accordance with Article 180A(c); and
- (ii) if the appointor is in the case of a corporation, either under seal or under the hand of an officer or attorney duly authorised in writing, or authenticated in accordance with Article 180A(c).
- (b) The Board may require evidence of authority of such attorney or officer. In the absence of satisfactory evidence required by the Board, the Company may treat an appointment of the relevant proxy as invalid.
- 88 (a) Any document or information relating to proxies for a general meeting (including (i) an instrument appointing a proxy or information input in an invitation to appoint a proxy via electronic platform or otherwise, (ii) notice or information in respect of termination of the authority of a proxy, and, if requested by the Board, the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of that power or authority (iii) any document or information necessary to show evidence of, the validity of, or otherwise relating to, an appointment of proxy or notice of termination of the authority of a proxy) (the "proxy-related instruction") shall be received by the Company by (A) depositing at such place or one of such places (if any) as is specified in the notice of meeting, or in the instrument of proxy or the invitation to appoint proxy issued by the Company (or, if no place is specified, at the Registration Office), or (B) if an electronic address or an electronic platform is specified by the Company in the notice of meeting, the instrument of proxy or the invitation to appoint proxy issued by the Company, specifically for the purpose of

No instrument appointing a proxy shall be valid after the expiration of 12 Months from the date of its execution, except at an adjourned meeting where the meeting was originally held within 12 Months from such date. Delivery of an instrument appointing a proxy shall not preclude a Shareholder from attending and voting in person (or in the case of a Shareholder being a corporation, its duly authorised representative) at the meeting concerned and, in such event, the instrument appointing a proxy shall be deemed to be revoked.

- (b) If any proxy-related instruction required to be sent to the Company under this Article is sent to the Company by electronic means, such proxy-related instruction is not treated as validly delivered to the Company if the same is not received by the Company at its designated electronic address or electronic platform in accordance with this Article. No instrument appointing a proxy shall be valid after the expiration of 12 Months from the date named in it as the date of its execution or the date on which it is received by the Company, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within 12 Months from such date. The appointment of a proxy shall not preclude a Shareholder from attending and voting in person (or in the case of a Shareholder being a corporation, by its duly authorised representative) at the meeting or poll concerned and, in such event, the instrument appointing a proxy shall be deemed to be revoked.
- (c) When two or more valid but differing proxy-related instructions in respect of the same Share for the same meeting have been received by the Company, the one which was last received (regardless of the date named in it as the date of execution) shall be treated as replacing and revoking the others as regards that Share. If the Company is unable to determine which was last received, none of them shall be treated as valid in respect of that Share.
- (d) Without limitation, the Company may from time to time determine that any such electronic address or electronic platform may be used generally for such matters or specifically for particular meetings or purposes and, if so, the Company may provide different electronic addresses or electronic platforms for different purposes. The Company may also impose any conditions on the transmission of and its receipt of such electronic communications including, for the avoidance of doubt, imposing any verification, security or encryption arrangements as may be specified by the Company.

- 89 Every instrument of proxy, whether for a specified meeting or otherwise, shall be in such form as the Board may from time to time approve, provided that it shall not preclude the use of the two-way form. Any form issued to a Shareholder for use by him for appointing a proxy to attend, speak and vote at an extraordinary general meeting or at an annual general meeting at which any business is to be transacted shall be such as to enable the Shareholder, according to his intentions, to instruct the proxy to vote in favour of or against (or, in default of instructions, to exercise his discretion in respect of) each resolution dealing with any such business. Form of proxy
- 90 The instrument appointing a proxy to attend, speak and vote at a general meeting shall: (i) be deemed to confer authority upon the proxy to demand or join in demanding a poll and to vote on any resolution (or amendment thereto) put to the meeting for which it is given as the proxy thinks fit; and (ii) unless the contrary is stated therein, be valid as well for any adjournment of the meeting as for the meeting to which it relates. Authority under instrument appointing proxy
- 91 A vote given in accordance with the terms of an instrument of proxy or by the duly authorised representative of a corporation shall be valid notwithstanding the previous death or insanity of the principal or revocation of the proxy or power of attorney or other authority under which the proxy was executed or the transfer of the Share in respect of which the proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer as aforesaid shall have been received by the Company ~~at its Registration Office, or at such other place~~ in the manner as is referred to in Article 88, at least two hours before the commencement of the meeting or adjourned meeting at which the proxy is used. A person so authorised pursuant to the provisions of this Article shall be deemed to have been duly authorised without further evidence of the facts and be entitled to exercise the same rights and powers on behalf of the Clearing House (or its nominee(s)) which he represents as that Clearing House (or its nominee(s)) could exercise as if such person were an individual Shareholder, including the right to vote individually on a show of hands and the right to speak.

- 93 Unless the Board agrees otherwise, an appointment of a corporate representative shall not be valid as against the Company unless:

The Board may, unless it is satisfied that a person purporting to act as a corporate representative is the person named in the relevant instrument for his appointment, decline such person's admission to the relevant meeting and/or reject his vote or demand for a poll and no Shareholder who may be affected by any exercise by the Board of its power in this connection shall have any claim against the Board or any of them nor may any such exercise by the Board of its powers invalidate the proceedings of the meeting in respect of which they were exercised or any resolution passed or defeated at such meeting.

The Board may authorise any person to enter on behalf of all Shareholders interested in a capitalisation issue any agreement with the Company or other(s) providing for such capitalisation and matters in connection therewith and any agreement made under such authority shall be effective and binding upon all concerned. - (b) The Board may also pay half-yearly or at other suitable intervals to be settled by it any Dividend which may be payable at a fixed rate if the Board is of the opinion that the financial conditions and the profits of the Company justify the payment.
- (c) The Board may in addition from time to time declare and pay special Dividends of such amounts and on such dates and out of such distributable funds of the Company as it thinks fit, and the provisions of paragraph (a) of this Article as regards the power and exemption from liability of the Board as relate to the declaration and payment of interim Dividends shall apply, *mutatis mutandis*, to the declaration and payment of any such special Dividends.

Subject as aforesaid, if any Shares or securities are purchased cum Dividend or interest, such Dividend or interest may at the discretion of the Board be treated as revenue, and it shall not be obligatory to capitalise the same or any part thereof or to apply the same towards reduction of or writing down the book cost of the asset, business or property acquired.

- (d) If, in the opinion of the Board, any Dividend or other distribution in respect of Shares or any other payment to be made by the Company to any Shareholder is of such a small amount as to make payment to that Shareholder in the relevant currency impracticable or unduly expensive either for the Company or the Shareholder then such Dividend or other distribution or other payment may, at the absolute discretion of the Board, be, if this be practicable, converted at such rate of exchange as the Board may determine and paid or made in the currency of the country of the relevant Shareholder (as indicated by the address of such Shareholder on the Register).

The Board may further authorise any person to enter into on behalf of all Shareholders having an interest in any agreement with the Company or other(s) providing for such Dividend and matters in connection therewith and any such agreement made under such authority shall be effective. The Board may resolve that no such assets shall be made available or made to Shareholders with registered addresses in any particular territory or territories being a territory or territories where, in the absence of a registration statement or other special formalities, this would or might, in the opinion of the Board, be unlawful or impracticable or the legality or practicality of which may be time consuming or expensive to ascertain whether in absolute terms or in relation to the value of the holding of Shares of the Shareholder concerned and in any such event the only entitlement of the Shareholders aforesaid shall be to receive cash payments as aforesaid. Shareholders affected as a result of exercise by the Board of its discretion under this Article shall not be, and shall be deemed not to be, a separate class of Shareholders for any purposes whatsoever.

Dividend

- (i) that such Dividend be satisfied wholly or in part in the form of an allotment of Shares credited as fully paid on the basis that the Shares so allotted shall be of the same class or classes as the class or classes already held by the allottee, provided that the Shareholders entitled thereto will be entitled to elect to receive such Dividend (or part thereof) in cash in lieu of such allotment. In such case, the following provisions shall apply:
 - (A) the basis of any such allotment shall be determined by the Board;
 - (B) the Board, after determining the basis of allotment, shall give not less than 14 clear days' notice in writing to the Shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the ~~place at~~ manner in which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (C) the right of election may be exercised in respect of the whole or part of that portion of the Dividend in respect of which the right of election has been accorded; and
 - (D) Dividend (or that part of the Dividend to be satisfied by the allotment of Shares as aforesaid) shall not be payable in cash in respect whereof the cash election has not been duly exercised (“**the non-elected Shares**”) and in lieu and in satisfaction thereof Shares shall be allotted credited as fully paid to the holders of the non-elected Shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, or share premium account (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the Shares to be allotted on such basis and apply the same in paying up in full the appropriate number of Shares for allotment and distribution to and amongst the holders of the non-elected Shares on such basis;

or

- (ii) that Shareholders entitled to such Dividend will be entitled to elect to receive an allotment of Shares credited as fully paid in lieu of the whole or such part of the Dividend as the Board may think fit on the basis that the Shares so allotted shall be of the same class or classes as the class or classes of Shares already held by the allottee. In such case, the following provisions shall apply:
- (A) the basis of any such allotment shall be determined by the Board;
 - (B) the Board, after determining the basis of allotment, shall give not less than 14 clear days' notice in writing to the Shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the ~~place at~~ manner in which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (C) the right of election may be exercised in respect of the whole or part of that portion of the Dividend in respect of which the right of election has been accorded; and
 - (D) the Dividend (or that part of the Dividend in respect of which a right of election has been accorded) shall not be payable on Shares in respect whereof the Share election has been duly exercised ("**the elected Shares**") and in lieu thereof Shares shall be allotted credited as fully paid to the holders of the elected Shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, contributed surplus account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the Shares to be allotted on such basis and apply the same in paying up in full the appropriate number of Shares for allotment and distribution to and amongst the holders of the elected Shares on such basis.
- (b) The Shares allotted pursuant to the provisions of paragraph (a) of this Article shall rank *pari passu* in all respects with the Shares then in issue and held by the allottee in respect of which they were allotted, save only as regards participation:
- (i) in the relevant Dividend (or the right to receive or to elect to receive an allotment of Shares in lieu thereof as aforesaid); or

- (ii) in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant Dividend unless, contemporaneously with the announcement by the Board of its proposal to apply the provisions of sub-paragraph (a)(i) or (a)(ii) of paragraph (a) of this Article in relation to the relevant Dividend or contemporaneously with its announcement of the distribution, bonus or rights in question, the Board shall have specified that the Shares to be allotted pursuant to the provisions of paragraph (a) of this Article shall rank for participation in such distribution, bonus or rights.

- (c) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (a) of this Article with full power to the Board to make such provisions as it thinks fit in the case of Shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Shareholders concerned), and no Shareholders who will be affected thereby shall be, and they shall be deemed not to be, a separate class of Shareholders by reason only of the exercise of this power. The Board may authorise any person to enter into on behalf of all Shareholders interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.

- (d) The Company may upon the recommendation of the Board by Ordinary Resolution resolve in respect of any one particular Dividend that notwithstanding the provisions of paragraph (a) of this Article a Dividend may be satisfied wholly in the form of an allotment of Shares credited as fully paid without offering any right to Shareholders to elect to receive such Dividend in cash in lieu of such allotment.

- (e) The Board may on any occasion determine that rights of election and the allotment of Shares under paragraph (a) of this Article shall not be made available or made to any Shareholders with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of such rights of election or the allotment of Shares would or might be unlawful or impracticable or the legality or practicability of which may be time consuming or expensive to ascertain whether in absolute terms or in relation to the value of the holding of Shares of the Shareholder concerned, and in such event the provisions aforesaid shall be read and construed subject to such determination and no Shareholder who may be affected by any such determination shall be, and they shall be deemed not to be, a separate class of Shareholders for any purposes whatsoever.

- 161 The Board may, before recommending any Dividend, set aside out of the profits of the Company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for meeting claims on or liabilities of the Company or contingencies or for paying off any loan capital or for equalising Dividends or for any other purpose to which the profits of the Company may be properly applied, and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments (including in the repurchase by the Company of its own securities or the giving of any financial assistance for the acquisition of its own securities) as the Board may from time to time think fit, and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve, carry forward any profits which it may think prudent not to distribute by way of Dividend.

Reserves
- 162 Unless and to the extent that the rights attached to any Shares or the terms of issue thereof otherwise provide, all Dividends shall (as regards any Shares not fully paid throughout the period in respect of which the Dividend is paid) be apportioned and paid pro rata according to the amounts paid or credited as paid on the Shares during any portion or portions of the period in respect of which the Dividend is paid. For the purposes of this Article no amount paid on a Share in advance of calls pursuant to Article 38 shall be treated as paid on the Share.

Dividends to be paid in proportion to paid up capital
- 163 (a) The Board may retain any Dividends or other moneys payable on or in respect of a Share upon which the Company has a lien, and may apply the same in or towards satisfaction of the debts, liabilities or engagements in respect of which the lien exists.

(b) The Board may deduct from any Dividend or other moneys payable in respect of a Share held by ~~to~~ any Shareholder all sums of money (if any) presently payable by him to the Company on account of calls, instalments or otherwise.

- 165 A transfer of Shares shall not, as against the Company but without prejudice to the rights of the transferor and transferee inter se, pass the right to any Dividend or ~~bonus~~ other moneys declared or payable thereon before the registration of the transfer.

- 166 If two or more persons are registered as joint holders of any Share, any one of such persons may give effectual receipts for any Dividends and other moneys payable and bonuses, rights and other distributions in respect of such Shares.

167 (a) Unless otherwise directed by the Board, any Dividend or other moneys payable or bonuses, rights or other distributions in respect of any Share may be paid or satisfied by cheque or warrant or certificate or other documents or evidence of title sent through the post to the registered address of the Shareholder entitled, or, in the case of joint holders, to the registered address of that one whose name stands first in the Register in respect of the joint holding or to such person and to such address as the holder or joint holders may in writing direct, or by funds transfer system or other method or a combination of methods as the Directors, in their absolute discretion, may decide. All Dividends, bonuses or other distributions or the proceeds of the realisation of any of the foregoing unclaimed for six years after having been declared may be forfeited by the Board and, upon such forfeiture, shall revert to the Company and, in the case where any of the same are securities of the Company, may be re-allotted or re-issued for such consideration as the Board thinks fit and the proceeds thereof shall accrue to the benefit of the Company absolutely.

WINDING UP

App. A13
Para 21

188 Subject to the Companies Act, a resolution that the Company be wound up by the Court or be wound up voluntarily shall be passed by way of a Special Resolution.

Modes of winding up

189 If the Company shall be wound up, the surplus assets remaining after payment to all creditors shall be divided among the Shareholders in proportion to the capital paid up on the Shares held by them respectively, and if such surplus assets shall be insufficient to repay the whole of the paid up capital, they shall be distributed, subject to the rights of any Shares which may be issued on special terms and conditions, so that, as nearly as may be, the losses shall be borne by the Shareholders in proportion to the capital paid on the Shares held by them respectively.

Distribution of assets in winding up

190 If the Company shall be wound up (in whatever manner) the liquidator may, with the sanction of a Special Resolution and any other sanction required by the Companies Act, divide among the Shareholders in specie or kind the whole or any part of the assets of the Company whether the assets shall consist of property of one kind or shall consist of properties of different kinds and the liquidator may, for such purpose, set such value as he deems fair upon any one or more class or classes of property to be divided as aforesaid and may determine how such division shall be carried out as between the Shareholders or different classes of Shareholders and the Shareholders within each class. The liquidator may, with the like sanction, vest any part of the assets in trustees upon such trusts for the benefit of Shareholders as the liquidator, with the like sanction, shall think fit, but so that no Shareholder shall be compelled to accept any Shares or other assets upon which there is a liability.

Assets may be distributed in specie

The Company may take out and pay the premium and other moneys for the maintenance of insurance, bonds and other instruments for the benefit either of the Company or the Directors (and/or other officers) or any of them to indemnify the Company and/or Directors (and/or other officers) named therein for this purpose against any loss, damage, liability and claim which they may suffer or sustain in connection with any breach by the Directors (and/or other officers) or any of them of their duties to the Company.

UNTRACEABLE SHAREHOLDERS

192 The Company may exercise the power to cease sending cheques ~~for Dividend entitlements or Dividend warrants~~ by post, or making any payment by other means, for Dividends or other moneys payable on or in respect of any Share which is normally paid in that manner, if such cheques or ~~warrants~~ payments have been returned undelivered or remain uncashed

Company ceases sending ~~Dividend warrants etc.~~

by a Shareholder on at least two consecutive occasions or after the first following one such occasion on which such a cheque or warrant is returned undelivered, reasonable enquiries have failed to establish the Shareholder's new address or details. Subject to these Articles, the Company shall recommence sending cheques or making payments by other means in respect of Dividends or other moneys payable on and in respect of those Shares if such Shareholder or person entitled by transmission to them claims the arrears of Dividends or other moneys and does not instruct the Company to pay future Dividends or other moneys in some other way.

- 193 (a) The Company shall have the power to sell, in such manner as the Board thinks fit, any Shares of a Shareholder who is untraceable, but no such sale shall be made unless:
- (i) during the period of 12 years prior to the date of the advertisements referred to in sub-paragraph (ii) below (or, if published more than once, the first thereof) at least three Dividends or other distributions in respect of the Shares in question have become payable or been made and no Dividend or other distribution in respect of the Shares during that period has been claimed;
 - (ii) the Company has caused an advertisement to be inserted in the Newspapers of its intention to sell such Shares and a period of three ~~months~~ Months has elapsed since the date of such advertisement (or, if published more than once, the first thereof);
 - (iii) the Company has not at any time during the said periods of 12 years and three ~~months~~ Months received any indication of the existence of the holder of such Shares or of a person entitled to such Shares by death, bankruptcy or operation of law; and
 - (iv) the Company has notified the HK Stock Exchange of its intention of such sale.
- (b) If during the aforesaid period of 12 years further Shares have been issued in right of those held at the beginning of that period or of any previously so issued during that period and all the requirements of sub-paragraphs (i) to (iv) above have been satisfied in regard to the further Shares (but as if the 12-year period begins on the date of allotment of the further Shares), the Company may also sell the further Shares.
- (~~c~~b) To give effect to any such sale the Board may authorise any person to transfer the said Shares and the instrument of transfer signed or otherwise executed by or on behalf of such person shall be as effective as if it had been executed by the registered holder or the person entitled by transmission to such Shares, and the purchaser shall not be bound to see to the application of the purchase money nor shall his title to the Shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of the sale will belong to the Company and upon receipt by the Company of such proceeds it shall become indebted to the former Shareholder for an amount

equal to such net proceeds. Notwithstanding any entries made by the Company in any of its books or otherwise howsoever, no trusts shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit. Any sale under this Article shall be valid and effective notwithstanding that the Shareholder holding the Shares sold is dead, bankrupt, wound up or otherwise under any legal disability or incapacity.

DESTRUCTION OF DOCUMENTS

194 The Company may destroy:

Destruction
of documents

- (a) any share certificate which has been cancelled at any time after the expiry of one year from the date of such cancellation;
- (b) any dividend mandate or any variation or cancellation thereof or any notification of change of name or address at any time after the expiry of two years from the date on which such mandate, variation, cancellation or notification was recorded by the Company;
- (c) any instrument of transfer of Shares which has been registered at any time after the expiry of six years from the date of registration;
- (d) any other document, on the basis of which any entry in the Register is made, at any time after the expiry of six years from the date on which an entry in the Register was first made in respect of it;

and it shall conclusively be presumed in favour of the Company that every Share certificate so destroyed was a valid certificate duly and properly cancelled and that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and that every other document destroyed hereunder was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company provided always that:

- (i) the foregoing provisions of this Article shall apply only to the destruction of a document in good faith and without express notice to the Company that the preservation of such document was relevant to a claim;
- (ii) nothing contained in this Article shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (i) above are not fulfilled; and
- (iii) references in this Article to the destruction of any document include reference to its disposal in any manner.

SUBSCRIPTION RIGHT RESERVE

195 The following provisions shall have effect to the extent that they are not prohibited by and are in compliance with the Companies Act:

- (a) If, so long as any of the rights attaching to any warrants issued by the Company to subscribe for Shares shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions applicable under the terms and conditions of the warrants, would reduce the subscription price to below the par value of a Share, then the following provisions shall apply:
- (i) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Article) maintain in accordance with the provisions of this Article a reserve (the “**Subscription Right Reserve**”) the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional Shares required to be issued and allotted credited as fully paid pursuant to sub-paragraph (iii) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Right Reserve in paying up in full the amount of the shortfall referred to in sub-paragraph (iii) in respect of such additional Shares as and when the same are allotted;
- (ii) The Subscription Right Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than the share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;
- (iii) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of Shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of Shares as is equal to the shortfall between:
- (A) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and

Subscription
right reserve

- (B) the nominal amount of Shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for Shares at less than par and immediately upon such exercise so much of the sum standing to the credit of the Subscription Right Reserve as is required to pay up in full such additional nominal amount of Shares shall be capitalised and applied in paying up in full such additional nominal amount of Shares which shall forthwith be allotted credited as fully paid to the exercising warrant holder; and
- (iv) if upon the exercise of the subscription rights represented by any warrant the amount standing to the credit of the Subscription Right Reserve is not sufficient to pay up in full such additional nominal amount of Shares equal to such shortfall as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted or not prohibited by law, the share premium account) for such purpose until such additional nominal amount of Shares is paid up and allotted as aforesaid and until then no Dividend or other distribution shall be paid or made on the fully paid Shares then in issue. Pending such payment up and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of Shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one Share in the like manner as the Shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.
- (b) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other Shares allotted or which ought to be allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (a) of this Article, no fraction of any Share shall be allotted on exercise of the subscription rights.
- (c) The provisions of this Article as to the establishment and maintenance of the Subscription Right Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating, the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a Special Resolution of such warrant holder(s) or class of warrant holders.

- (d) A certificate or report by the Auditors as to whether or not the Subscription Right Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purpose for which the Subscription Right Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of Shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Right Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and Shareholders.

STOCK

196 The following provisions shall have effect at any time and from time to time provided that they are not prohibited by or inconsistent with the Companies Act:

- (a) The Company may by Ordinary Resolution convert any fully paid Shares into stock, and may from time to time by like resolution reconvert any stock into fully paid Shares of any denomination.
- (b) The holders of stock may transfer the same or any part thereof in the same manner, and subject to the same regulations as and subject to which the Shares from which the stock arose might prior to conversion have been transferred or as near thereto as circumstances admit, but the Board may from time to time, if it thinks fit, fix the minimum amount of stock transferable and restrict or prohibit the transfer of fractions of that minimum, but so that such minimum shall not exceed the nominal amount of the Shares from which the stock arose. No warrants to bearer shall be issued in respect of any stock.
- (c) The holders of stock shall, according to the amount of the stock held by them, have the same rights, privileges and advantages as regards Dividends, participation in assets on a winding up, voting at meetings, and other matters, as if they held the Shares from which the stock arose, but no such rights, privileges or advantages (except participation in the Dividends and profits and in the assets on winding up of the Company) shall be conferred by an amount of stock which would not, if existing in Shares, have conferred such rights, privileges or advantages.
- (d) Such of the provisions of these Articles as are applicable to fully paid Shares shall apply to stock, and the words "Share" and "Shareholder" herein shall include "stock" and "stockholder" and "member".

The following serves as an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Share Repurchase Mandate:

1. SHARE CAPITAL

As at the Latest Practicable Date, the Company had 636,182,000 Shares in issue and the Company did not hold any Treasury Shares.

Subject to the passing of the ordinary resolution set out in item 5 of the notice of the Annual General Meeting in respect of the granting of the Share Repurchase Mandate and assuming that no Shares will be issued or repurchased prior to the Annual General Meeting, the Company will be authorized under the Share Repurchase Mandate to repurchase, during the period in which the Share Repurchase Mandate remains in force, a total of 63,618,200 Shares, representing 10% of the total number of Shares in issue (excluding Treasury Shares, if any) as at the date of the Annual General Meeting.

If the Company purchases any Shares pursuant to the Share Repurchase Mandate, the Company will either (i) cancel the Shares repurchased and/or (ii) hold such Shares in treasury, subject to market conditions and the Company's capital management needs at the relevant time any repurchases of Shares are made.

To the extent that any Treasury Shares are deposited with CCASS pending resale on the Stock Exchange, the Company will adopt appropriate measures to ensure that it does not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those shares were registered in the Company's own name as Treasury Shares. These measures may include approval by the Board that (i) the Company would not (or would procure its broker not to) give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the Treasury Shares deposited with CCASS, and (ii) in the case of dividends or distributions, the Company will withdraw the Treasury Shares from CCASS, and either re-register them in its own name as Treasury Shares or cancel them, in each case before the record date for the dividends or distributions.

2. REASONS FOR SHARE REPURCHASES

The Directors believe that the granting of the Share Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole.

Shares repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

3. FUNDING OF SHARE REPURCHASES

Share repurchases pursuant to the Share Repurchase Mandate would be funded out of funds legally available for the purposes in accordance with the Company's memorandum of association, the Articles of Association, the laws of the Cayman Islands, the Listing Rules and/or any other applicable laws.

4. IMPACT OF SHARE REPURCHASES

There might be a material adverse impact on the working capital and/or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 December 2025) in the event that the Share Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Share Repurchase Mandate to such extent as would, in the opinion of the Directors, have a material adverse effect on the working capital or gearing position of the Company.

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares were traded on the Stock Exchange during each of the twelve months preceding and up to and including the Latest Practicable Date were as follows:

Month	Highest HK\$	Lowest HK\$
2025		
April	0.53	0.44
May	0.62	0.50
June	0.58	0.485
July	0.53	0.44
August	0.54	0.49
September	0.50	0.47
October	0.495	0.45
November	0.485	0.42
December	0.48	0.435
2026		
January	0.56	0.465
February	0.495	0.46
March	0.52	0.46
April (<i>up to the Latest Practicable Date</i>)	0.475	0.44

6. GENERAL

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the Listing Rules) has any present intention to sell any Shares to the Company under the Share Repurchase Mandate in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company under the Share Repurchase Mandate, or have undertaken not to sell any Shares held by them to the Company, in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

The Directors will exercise the power of the Company to repurchase Shares pursuant to the Share Repurchase Mandate in accordance with the Articles of Association, the Listing Rules and the applicable laws of the Cayman Islands.

7. TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code.

To the best of the knowledge and belief of the Directors, as at the Latest Practicable Date, each of Mr. Chang Yoe Chong Felix, FC Management Limited, FC Investment Worldwide Limited, CLC Management Limited, CLC Investment Worldwide Limited, Golden Evergreen Limited and Evergreen Enterprise Holdings Limited (collectively the "**Controlling Shareholders**") was interested in 343,369,803 Shares, representing approximately 53.97% of the total issued share capital of the Company (excluding Treasury Shares, if any). Apart from the foregoing, Mr. Chang Yoe Chong Felix beneficially owned a total of 12,790,000 Shares, representing approximately 2.01% of the total issued share capital of the Company (excluding Treasury Shares, if any). For the purpose of the Takeovers Code, Mr. Chang Yoe Chong Felix is taken to have an interest in a total of 356,159,803 Shares, representing approximately 55.98% of the total issued share capital of the Company (excluding Treasury Shares, if any).

In the event that the Directors exercise the proposed Share Repurchase Mandate in full, the aggregate shareholding of Mr. Chang Yoe Chong Felix would increase to approximately 62.20% of the issued share capital of the Company (excluding Treasury Shares, if any). The Directors consider that such increase in shareholding would not give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code but would reduce the percentage of the Shares held by the public below the minimum level required under the Listing Rules, being (i) 25% of the total number of issued Shares (excluding Treasury Shares, if any); or (ii) 10% of the total number of issued Shares (excluding Treasury Shares, if any) with a market value of at least HK\$1,000 million. Save as aforesaid, the Directors are not aware of any consequences which may arise under the Takeovers Code as a consequence of any repurchases pursuant to the Share Repurchase Mandate. In any event, the Directors have no present intention to repurchase Shares to such extent which will result in the aggregate number of Shares held by the public falling below the minimum level required by the Listing Rules.

8. SHARE REPURCHASES MADE BY THE COMPANY

During the six months prior to the Latest Practicable Date, the Company had not repurchased any of the Shares (whether on the Stock Exchange or otherwise).

Neither the Explanatory Statement nor the proposed share repurchase has any unusual features.
