

## Evergreen donates wigs to local medical organization Expresses care for cancer patients

(Hong Kong, 30 November 2022) **Evergreen Products Group Limited** ("Evergreen" or the "Group"; HKEX stock code: 1962), a leading manufacturer of synthetic and human hair wigs and extensions, has donated a batch of wigs to a local medical organization for cancer patients, allowing patients in need to borrow wigs for free from the institution. Unlike other general protective materials, Evergreen has drawn on its advantages in the wig manufacturing sector to provide patients with suitable wigs to help them regain confidence during treatments and maintain their quality of life.

**Mr. Felix Chang, Chairman, Chief Executive Officer, and Executive Director of Evergreen,** said, "We are pleased to be cooperating with the medical organization to provide assistance to cancer patients as well as express our care and warmth to them. With caring for our society in mind, we hope the donation will offer help and support to more people in need. Looking ahead, the Group will continue to fulfil its corporate social responsibility and leverage its solid foundation of hair goods to help the underprivileged and give back to society. "
